## Work Experience

### Bardali Creatons Pvt. Ltd.

*Frontend Developer Intern*

Jan 2025 – Apr 2025

*Itahari, Sunsari, Nepal*

- Built responsive web interfaces using **React**, **Vite**, and **Tailwind CSS**
- Integrated frontend with backend APIs developed in **FastAPI**
- Collaborated using **Git** and **GitHub**, following best practices in version control and UI development

## Projects

### Paint Company | Website | Source Code

**React | Tailwind | Frontend**

- Developed and deployed a **responsive** company website using React.js and Tailwind CSS.
- Built **reusable components** and implemented structured routing for scalability.
- Collaborated in a team to deliver a production-ready frontend deployed on **Vercel**.

### Netflix Clone | Website | Source Code

**HTML | CSS | Javascript**

- Built a static Netflix-style clone UI using **HTML**, **CSS**, and **JavaScript** to replicate layout, navigation, and content presentation.
- Focused on **pixel-perfect design and responsive structure** to match the look of the original Netflix page.
- Deployed the project live on **Netlify** as a showcase of frontend development skills.

### Personal Portfolio | Website | Source Code

**React | Tailwind | Responsive**

- Designed and developed a **personal portfolio website** to showcase skills, projects, and professional profile.
- Highlighted project case studies, tech skills, and contact information for **professional presentation**.
- Deployed the site on a custom domain as a polished frontend portfolio and personal brand asset.
